#### 3.4 Example of recording of points and control of service in a set:

- a) The team "A" wins the right to serve first and No. 8 who was recorded in position I serves first. Team "A" wins the rally and also a point, the scorer slashes off (/) the 1 of the "POINTS" column. The following rally is also won by team "A", the scorer slashes off (/) the 2 of the column, etc. After winning 4 consecutive points, Team "A" loses the service. The scorer writes the number 4 in the box 1 of the column I of player No 8 of Team "A". Thus we know that this team won 4 points when player No. 8 had the service.
- b) The scorer then passes to the section corresponding to the team "B" After winning the rally and the right to serve, the team "B" gains one point and the point 1 of the "POINTS" column of that team is to be slashed off (/). Next, the scorer cancels with an X the box 1 of column I, since this team must now rotate for its first service to be made by the following player. The scorer then ticks off ( No. 1 of the box corresponding to column II. This shows that player No. 1 of the team "B" serves first (cf. 3.3.b). Team "B" wins the next rally and gains a point. The 2 of the "POINTS" column of that team is slashed off (/).

# The team "B" loses the next rally and thus loses the service. The scorer writes the number 2 in the box of player No. 1 of the team "B", which had the service. This indicates that the team "B" has scored two points

- c) Immediately the scorer returns to the section of the team "A" and slashes off (/) the next point (5) in the column "POINTS". since to win the rally means to win a point. He/she then ticks off ( ) the figure 1 in the box in column II to show that player No. 4, recorded in this column. is the one who now serves. Player No. 4 wins two points before losing the service. The scorer writes the number 7 in the box 1 of the column II of player No. 4 of the team "A" etc.
- d) The scorer continues in this way successively until the end of the set. which finished on the score of 25:22 for the team "A". At this moment. he/she notes down the time (e.g. 16:24) in the box "END time" reserved for this purpose (fig. 5).
- e) If there is a tie 24:24, the set continues until a 2 point lead is achieved (26:24: 27:25...)
- f) The numbers not slashed off (/) in the "POINTS" column of each team are cancelled and the last point scored is noted by circling in the service round box of the player who served last. If the receiving team won the set, the last point is noted in the service round box of the player who would have served without "

#### e) When there is a change of service, the team which obtains the right to serve marks a point; the scorer slashes out (/) the next point in the column headed "POINTS" and ticks ( the number of the small box in column II (cf: 3.4 c)

f) If there is a tie 14:14, the set continues until a team obtains a two points lead on the other

#### 3.6 SUBSTITUTIONS:

The procedure for recording the substitution of a player who begins a set is the following: a) The number of the substituting player must be put in the box below the

- number of the player leaving the court. b) In the same column, in the upper box of the "SUBSTITUTES SCORE", the scores of both teams up to that moment must be recorded (the score
- of the substituting team on the left, the other on the right). When the substituting player is in turn replaced: c) The scorer ensures that the number of the player replacing him/her
- is identical to that recorded above the number of the player leaving the court. The latter's number is **circled** to show that he/she may not legally reenter the court in the same set.
- d) The number of points scored by the teams up to that moment must be recorded in the lower box of the line "SUBSTITUTES SCORE".
- e) Example: Player No. 5 of the team "B" replaced No. 6 when the score was 3:7 and No. 6 returned to his place when the score was 7:9. The first digit of the score is always the number of points scored up to that moment by the team that makes the substitution.
- f) Exceptional substitutions for an injured player or redesignation of an injured Libero Player must be recorded in the "REMARKS" section. The scorer must indicate the set, the team's name, number and name of the injured player or libero and that of the new player or Libero and the score at change.

## 3.7 TIME-OUTS:

POINTS

"T"

Below the "POINTS" column of each team, are two boxes headed with a "T":

- a) When a team obtains its first time-out, the scorer records, in the upper box, the points scored by both teams up to that moment.
- b) When the same team obtains its second time-out, the scorer records, in the lower box, the points scored by the teams up to that point. The first digit of the score is always the number of points scored up to that moment by the team that requested the time-out.
- c) Example: The team "B" requested its first time-out when the score was 7:12 and its second time-out was taken when the score was 21:23.

### 3.8 RECORDING OF SANCTIONS (Fig. 6):

#### a) For Improper Requests:

Any kind of improper request, at the moment of its rejection by the referees, must be recorded by putting an **X** over the letter corresponding to the team at fault in the section labelled "IMPROPER REQUEST" (next to the sanctions box).

## b) For Misconduct Sanctions:

All sanctions must be recorded in the lower left part square of the sheet. by marking the N° of the sanctioned player or the initial of the function as in the "OFFICIALS" section of the lower right hand square (see 1.13) for sanctions in the corresponding column : "P" for a penalty, "E" for an expulsion and "D" for a disqualification. "A" or "B" is put in the column of the teams to indicate the team, and the N° of the set and the score at the moment of the sanction are indicated in the respective columns.

## 3.5 In the case of a deciding set (5th set):

- a) After the toss, the scorer writes down in the blank circles the letter A or **B** assigned to each team, putting in the left section the team playing on his/her left.
- b) The scorer then follows the same procedure established for the first set, using the first two sections of the square entitled "SET 5". All data for the team starting on the left side of the scorer must be recorded only in the first section of "SET 5" at this stage.
- c) NB: The change of courts is effected after the 8th point has been scored. The line-up of left team is repeated in the far right section. d) Upon the change of court after point 8, the scorer continues in the third
  - section on the far right to record the service order and the points of the team which were originally recorded in the 1st section on the left. The total number of points scored by this team at the moment of change is recorded in the box entitled "POINTS AT CHANGE" on the top line of the same third section. Any points scored after the change must be marked in the column "POINTS" on the far right.
